Day 2 | Royal Cape Golf Club

Activity overview

Built to high USGA standards and having hosted the South African Open and the SA Amateur Championships multiple times, the Royal Cape Golf Club is a true championship course that tests for amateurs and professionals alike. Emanating a rich history and tradition, South Africa's oldest golf club offers a beautiful setting views of Table Mountain from most holes that will make your visit truly memorable.

The narrow fairways demand extreme accuracy off the tee, wayward shots can be heavily penalized amongst the trees and the greens are well bunkered. There is also plenty of water on the course, especially at the corner of the 3rd, 4th, 5th and also the 14th, 15th and 16th. The most difficult holes are the par-4 3rd and the par-4 14th. The second nine offers quite a challenge for the average golfer: two challenging par 3s and a very magnificent par 4! The locals do not call it their own 'Amen' corner for nothing!

Day 3 | Westlake Golf Club

Underated course with stunning clubhouse views.

Set in the leafy Cape Town suburb of Lake Side, with its back enclosed in the walls of the Silvermine Mountains, Westlake Golf Course has gained an illustrious reputation as one of the Cape's premiere courses. The natural beauty and wildlife that the surrounding mountains have added bring forth an element that most city suburb golf courses can only dream of.

Towering flat pine trees which line many of the fairways are a highlight as well as a characteristic feature of the course. To achieve a good score, you have to stay out of the trees. Westlake has an interesting but user-friendly design and quite a few doglegs.

Westlake is known for its friendly and knowledgeable caddies and we suggest you compliment your round by taking a caddie. Limited drive carts are available but the course is an easy and pleasant walk.

Day 4 - 7 | Hermanus

Area Overview

Situated in the heart of the Cape Whale Route, the once humble fishing village of Hermanus has become a renowned tourist destination, offering some of the best land-based whale watching opportunities to be found anywhere in the world. Southern Right whales visit Walker Bay frequently and are announced by the world's only Whale Crier who blows his kelp horn when whales are spotted along the coast.

Hermanus offers visitors breathtaking scenic beauty, modern infrastructure, upmarket shops, endless adventure options, and a wide selection of restaurants and coffee shops. Yet despite its fame and all its many offerings, Hermanus maintains a simple rustic charm.

Day 5 | Arabella Golf Club

Activity overview

Ranked as the 4th best course in South Africa and #1 in Western Cape, the Arabella parklands course hugs the Bot River lagoon with spectacular views across the Kogelberg mountain range. Designed by the acclaimed Peter Matkovich, this spectacular layout opened in 1999. Home to the annual Nelson Mandela Invitational Tournament since 2003, a Gary Player charity initiative, it has hosted Jack Nicklaus, Samuel L Jackson, Ronan Keating and several other celebrities. Arabella's well-balanced, flowing layout perfectly complements its tricky sand traps, clever water hazards, kikuyu fairways and dominant bent greens.

The signature 8th hole is one of the most beautiful par-5's ever, while the snaking Par-4 18th on the estuary's shoreline was recently voted as the best finishing hole in South Africa. And then there's the 'Turn'- consisting of holes 3, 4 and 5 which like Augusta's Amen Corner, are considered the most challenging on the course. The best part- a par gross score on the Turn wins a complimentary round of golf!

Day 6 | Hermanus Golf Club

Activity overview

The Hermanus Golf Club has held a reputation for excellent year round standards despite experiencing heavy traffic - thanks to the dedicated and professional management. With the recent refurbishments giving the course a unique makeover, the Hermanus Golf Club today presents an incredible challenge and experience.

In 2006, the classic country course underwent a major overhaul with the introduction of nine new holes. The course itself was considerably lengthened and the charming and gentle layout of the past has today been replaced with a modern classical design. The gorgeous sea views, mountainous surroundings, charming hospitality and former tradition remain. Yet, this golfing venue has truly reached a new zenith under South Africa's foremost golf course architect. Peter Matkovich infused his special brand of flair and experience to maximise the potential on this scenic and gentle landscape.

Day 7 - 8 | Inverdoorn Game Reserve

Property Overview

Inverdoorn Game Reserve is located in a malaria-free zone, a couple of hours from Cape Town. It is home to a plethora of wildlife including giraffes, hippos, meerkats, various antelope, over 80 species of birds and the big five. The renowned Western Cape Cheetah Conservation is based at Inverdoorn and offers opportunities to watch cheetah runs and encounter tame cheetah.

Fourteen well-equipped accommodation units offer varying degrees of luxury, catering to all kinds of travellers. Pick from the uber luxurious Ambassador Suite, or the luxury chalets or guesthouses, depending on your need for comfort and the size of your group. Rest assured, a memorable holiday is guaranteed irrespective of your budget. Cheetah interactions and private safaris are a highlight at Inverdoorn and must not be missed.

Accommodations

Lodge Rooms

The Lodge Rooms are offered in three separate lodges, each with its own charm and all of them in close proximity to all facilities. The Lodge rooms are ideal for easy travellers and families. Two of the three lodges have a communal lounge area made cosy by fireplaces and tea and coffee making facilities. All Lodge Rooms are shower en-suite and have air conditioning which can be used for heating or cooling.

Day 8 - 10 | Stellenbosch

Area Overview

Founded in 1679, Stellenbosch is the second oldest European settlement in the Western province, after Cape Town. This historic town is known for oak lined cobblestone streets, classic Cape Dutch architecture, and its vibrant wine industry. Stellenbosch is a very walkable town with many small shops, boutiques, art galleries, some fabulous local restaurants and vineyards, and more than 100 wine cellars. There are a number of excellent hikes in the Jonkershoek Nature Reserve, as well as a full day Vineyard Hiking Trail which winds its way through vineyards, forests, olive groves, and coastal renosterveld.

Stellenbosch, along with nearby Paarl and Franschhoek, forms part of the Cape Winelands, the largest contributors to the one billion liters of wine produced in South Africa annually. It is approximately 50 km (30 mi) east of Cape Town, on a scenic road lined with breathtaking mountain ranges, green rolling hills and valleys and, as one approaches the Winelands, vineyards roll out in all directions. It is home to the University of Stellenbosch, founded in 1863, and today one of South Africa's leading universities with nearly 30,000 students.

Day 8 - 10 | De Zalze Lodge

Day 9 | De Zalze Golf Club

Activity overview

Having hosted both the Eisenhower Trophy and the Espirito Santo Trophy in October 2006, the De Zalze Golf Club, set on the 300-hectare greater Kliene Zalze Estate, is laid out in the midst of working vineyards and orchards backed by the spectacular Stellenbosch Mountain range. Located in the heart of the famous winelands of Stellenbosch, findly known as 'Little Europe', the superb holes are set on rolling and undulating terrain, meandering between grape on the vine, fruit on the tree and an array of great water features.

Renowned golf course architect, Peter Matkovich, has lent his name to the course, making most of the stunning setting while placing a premium on accuracy. The course has excellent Kikuyu fairways and large Bent Grass greens, all with the Matkovich trademark of finely manicured aprons. De Zalze offers a fine mix of parkland holes, its main defences being the water features on several of the holes.
